OIL MAGNATES WATERBOUND

Young Rockefeller and Associates
Delayed on Account of Water
Spout.

Special to the Eagle.

Tulsa, Okla., May 25.—On account
of bad weather and washouts caused
by the cloudburst of yesterday, the
Standard Oil officials, including John
D. Rockefeller, Jr., were compelled
to spend the night here, but left for
Glen Pool early this morning. From
there they go to Muskogee. Young
Rockefeller is inspecting oil proper-
ties and is said to now be in active
charge of all his father's affairs, and
that he puts in a hard days work
every day.

GREAT STORM DAM- AGE IN OKLAHOMA

As Reports Come the Damage Shows
to be Greater Than at First
Reported.

Special to the Eagle.

Oklahoma City, May 25.—Addi-
tional reports received here today follow-
ing the cloudburst of yesterday,
which caused five deaths in the north-
ern part of the state, indicate that
the damage was much greater than
at first reported. Vast areas in east-
ern Oklahoma are under water, and
the crops are wholly ruined. Dam-
age to cities and farm property will
reach four hundred thousand dollars.
A small tornado struck the town of
Morris, demolishing the Methodist
church and several residences. Er-
nest Scott, wife and child were badly
injured. Oil fields near Tulsa were
compelled to suspend operations to-
day because of the flood. Railroad
tracks are softened and all trains are
delayed.

ed here today. Kittel is charged

worth of fictitious stock and then us-
ing it as collateral in borrowing mon-
ey.

A. Seddon of St. Louis, special mas-
ter in Chancery for the United States
supreme court, will arrive here to-

the famous cattle rate case that in-
volves several million dollars. Cat-
tle raisers in Oklahoma and Texas
are contending for the rate ordered
by the Interstate Commerce Commis-
sion, but not observed by the rail-
roads. A large array of attorneys
representing the railroads, the inter-
state commerce commission, and the
cattlemen of both states, will be in
attendance. The hearing will begin
tomorrow and continue two weeks.

Waco, Texas, May 25.—Wilkin Dale

He says two men attacked him and
two suspects have been arrested.
Dale says his assailants claimed to
be park keepers.

Many people have no deposit and check account
with any Bank, because they believe that in order to
have such an account they must first have a consider-
able sum of money. The truth of the matter is that
Modern Banking as practiced by

THE CITY NATIONAL BANK

Has made it possible for almost anybody to have a
deposit and check account. No matter how small your
contemplated deposit may be drop in and let us ex-
plain to you how simple it really is and how absolutely

RAILROAD MAGNATES IN TEXAS

Special to the Eagle.

Houston, Texas, May 25.—James J.
Hill, famous railroad builder, and
head of Burlington, Denver and other
railroad systems, arrived here this
afternoon, coming up the ship chan-
nel in a launch with Mayor Rice. It
is understood Mr. Hill is in Texas
with a view of forcing an entrance
for his lines to the gulf. He gave it
out that his visit was purely one of
pleasure.

STILL WORKING AT TULSA.

Many Witnesses Being Examined in
the Muskogee Townsite Fraud
Cases.

Special to the Eagle.

Tulsa, Okla., May 25.—Gov. Has-
well and others tangled up in the
Muskogee townsite fraud cases are
still on the grill. About twenty prom-
inent business men of Nashville,
Tenn., were examined today before
the Federal grand jury. The hearing
will continue tonight when witness-
es from New Harmony, Ind., New
York, Hastings, Mich., St. Louis and
Ohio towns, will testify. It is ex-
pected the probe will be concluded
tomorrow but no inklings of the find-
ing have been given out.

TERRIFIC RAIN AND HAIL STORM

A terrific hailstorm was falling here
this afternoon as the Eagle went to
press together with a heavy rain. A
telephone message from College
at the same time stated that quite a
hail fell there and a regular flood of
rain. It is feared that great damage
has been done to the growing crops.
The hail fell in such torrents that
the ground was covered several in-
ches deep. The wind also blew a fierce
gale and when it was it its worst it
was impossible to see the buildings
across the street. Sky lights, awn-
ings, trees, fences and window lights
have suffered badly. One of the
smoke stacks at the water and light
plant was reported blown down. The
fire bell tower was totally demolish-
ed. Tyler Haswells store suffered a
severe loss from floods of water. No
doubt the property loss will be heavy
when the reports are all in.
Reports from Parkers upper store
in the bottom say there was no hail
nor rain.
The cloud appeared to be heaviest to
the east of Bryan.
No rain nor hail fell at Benchley.

POINDEXTER A STATEWIDER

Favors Prohibition and Was Strong
Defender of Senator Bailey.

Special to the Eagle.

Cleburne, Texas, May 25.—Judge
William Poindester, who on yesterday
announced that he would be a candi-
date for the democratic nomination
for Governor of Texas, has gone to
his ranch in Shackelford county for
a few weeks outing. Several weeks
ago the judge declared to the Texas
News Service correspondent that he
favored statewide prohibition. This
complicated matters and places him
in exact opposition to the position of
Hon. Cone Johnson of Tyler. Both are
pros, but Johnson was the bitterest
foe Senator Bailey had in Texas,
while Judge Poindester was one of
his ablest defenders.

CAMPBELL SWEATING.

Will Use His Snickersee to Cut Down
Appropriations to Tune on Two
Million.

Special to the Eagle.

Austin, Texas, May 25.—Governor
Campbell today positively refused to
give any reasons for vetoing certain
items in the appropriation bill which
aggregate about two million dollars.
The vetoed items include appropria-
tions to refund state bonds, salary
assistant health officer, and improve-
ment state institutions. It is believ-
ed he will finish the work of prun-
ing tomorrow when the results will
be announced. Attorney General
Lightfoot made the Governors mind
easy on the penitentiary investiga-
tion bill with reference to the emer-
gency clause. The records show the
bill passed both houses on two thirds
roll call, and therefore went into ef-
fect on March 20, the date when it
was signed.

ACQUITTALS IN LAND FRAUD
CASES.

Special to the Eagle.

Austin, Texas, May 25.—Following
instructions from the court, a ver-
dict of not guilty was returned today
in the case of D. W. Light of San
Antonio, who was charged with per-
jury in making affidavit of residence
in purchasing state school lands. The
date of the indictment was defective,
and on motion similar indictment
against G. A. Stowers of San Antonio
was dismissed. New indictments are
barred by limitation.
